

Supported by Willingham Parish Council, the Willingham Action Group (WAG) has initiated or aided the development of a number of new dimensions to the village over the last few years - Willingham Youth Trust, the Community Orchard, the amazing and now further expanding QE II Children's Playground, an extended Willingham Feast, village litter picks, extensive tree and bulb planting, collection of electrical scrap, Neighbourhood Watch, Speed Watch, and various clubs such as the walking, running, cycling, environmental and wine tasting groups. We also offer hands-on help to other village organisations.

If you would like to know more about - or indeed join - this still growing team of volunteers, then please contact WAG Secretary **Mike Tidball** on **260647** or mail us at the address below.
